Glaucoma Detection Clinic Set For May 19 At ACHS

Free, quick, and painless describe the testing procedures to be used at the proposed glaucoma screening clinic to be held May 19, 1974, in the Appomattox County High School cafeteria in Appomattox. The Steering Committee met March 11, 1974.

The Appomattox Lions Club will sponsor the screening under the auspices of the Virginia Society for the Prevention of Blindness. Trained volunteers, ophthalmologists, and nurses will contribute their time.

Glaucoma is an eye disease characterized by increased pressure in the eye. Vision loss is usually gradual, and the sufferer may remain unaware that he has the disease. Sight lost due to glaucoma cannot be restored and, without treatment, glaucom may cause blindness. Early detection and treatment are the only means of preventing blindness from this disease.

Glaucoma occurs most often among those 35 and older, has a tendency to run in families, and is not contagious. Blurred vision, difficulty seeing at night, seeing rainbow colored rings around lights, and loss of side vision are symptoms of glaucoma and are reasons to seek professional diagnosis.

The Appomattox glaucoma screening is open free of charge to adults 35 and over. It will be held from 2 p.m. to 4 p.m. on May 19, 1974.

All Virginia Society for the Prevention of Blindness programs operate with the approval and cooperation of local public health and medical authorities.

April - Cancer Control Month

Governor Mills E. Godwin, Jr., issued the following statement today calling attention to April as Cancer Control Month:

"The deadly disease of cancer continues to take its toll, but research and new techniques are now curing many of what were once hopeless cases.

"One out of three victims who now get cancer is being cured, and many more could be saved by early diagnosis and prompt treatment and by continued support of medical concentration on this cause of human suffering.

"In order to call attention to these facts, the American Cancer Society, through its local affiliates observes April as CANCER CONTROL MONTH, and I call its purposes and possibilities to the attention of all Virginians."

"Volunteers Are The Key To Cancer Control" is the theme of the 1974 Cancer Crusade in Virginia which is being led by State Crusade Chairman, John P. Fishwick, President of Norfolk and Western Railway Company. The Crusade goal for Virginia is $1,800,000.

During the month of April, which has been designated Cancer Control Month by Presidential proclamation, over 65,000 American Cancer Society volunteers in Virginia will be calling on their neighbors to leave information on the importance of cancer's warning signals and to ask for contributions to the Society's programs of research, education, service and rehabilitation.

Serving as National Co-Chairmen for the Crusade are television actor Peter Graves and Mrs. Birch Bayh, wife of the Indiana Senator and a cancer victim herself.

Decline seen In Traffic

Traffic on Virginia's major highways continued to decline last month, dropping 4.6 per cent below the volume for February of 1973, the state Department of Highways said today.

Weekday travel was down 3.9 per cent. Saturday travel dropped 7.8 per cent, and Sunday travel dropped 28.4 per cent, the department said.

J.P. Mills, Jr., the department's traffic and safety engineer, said the figures represented travel trends on the interstate, arterial, and primary highways, and reflected the gasoline shortage and pleas for reductions in non-essential driving.

Earlier, the department had reported a decrease of 3.2 per cent in travel on the same road systems for January. The decrease in January was the first recorded since the end of World War II.

In recent years, Mills said, travel has increased at the rate of 5 to 6 per cent over the comparable period the year before.

During February, he said, travel by all passenger cars showed a decrease of 6.7 per cent from February of last year. Virginia passenger car travel decreased 4.1 per cent, while travel by out-of-state passenger cars was down 19.8 per cent. Commercial vehicle travel rose about 3 per cent.

Mills said the traffic figures were based on studies made at approximately 500 counting stations throughout the state.

Wed In Double Ring Ceremony

Miss Elizabeth Ann House and Mr. Robert Barry Drew were united in marriage in a double ring ceremony on Saturday, January 19, in St. Thomas' Episcopal Church, Garrison Forest, Maryland. The Reverend George E. Sinkinson, Jr. officiated at the afternoon ceremony.

The bride is the daughter of CW-4 and Mrs. Edward A. House, U.S. Army, Mannheim, Germany. The bridegroom is the son of Mr. and Mrs. James Kent Guthrie of Baltimore, Maryland and the late Robert Harvey Drew.

The bride was escorted and given in marriage by her father. She wore a gown of white velvet with sweetheart neckline, an Empire bodice and long full sleeves ending in a point at the wrists. Her full length illusion lace with appliques of satin was accented with a headpiece of white velvet roses. The bridal bouquet was spray arrangement of white roses, carnations and stephanotis.

Miss Kim Duckworth was maid-of-honor. She wore a floor-length dress of navy blue polyester jersey with pin dots of white and a floral bouquet design of red, white and green scattered throughout, fashioned like the bride's gown with red velvet ribbon accenting the bodice. Her nosegay bouquet was centered with red carnations, surrounded by white carnations, greens and lace with streamers of red. The bridesmaids were Miss Mary McNulty and Miss Kathy McDougal. Their gowns were fashioned like the honor attendant's but with a square neckline and accented at the bodice with green velvet ribbon. They carried nosegays identical to the maid-of-honor's with green streamers. Mr. Warren Thomas Earle, Jr. of Baltimore, Maryland was the groom's best man. The ushers were Mr. Robert A. Erich, Jr. and Mr. Mark A. Svec also of Baltimore, Maryland.

Music was provided by the church organist.

The mother of the bride wore a floor-length gown of cranberry red lace. The groom's mother's dress was floor-length polyester knit in blue. Both wore a corsage of white cymbidium orchids.

Following the ceremony, the parents of the bride entertained at a reception at the Wilson Point Men's Club, Middle River, Maryland.

The couple are residing in Chestertown, Maryland where the bride is a senior at Washington College. The groom is instructor and athletic director at Broadmead ow School in Middletown, Delaware.
